

To Sep 2021 BCUHB accounted for 68% of all Death and Severe harm incidents reported under NR&LS which was NHS and accesible on line

Since then the Onece for Wales system has replaced NR&LS

The Wales Shared Services Partnership say each Health Board must supply this individually.

- 1. Please accept this as a request under FOI for the equivalent incidents under OfW as Death and Sever harm under NR&LS for Your Health Board from Oct 2021 to FY end 22/23**

The Health Board has had 35 incidents categorised as severe harm and death reported under the OfW system equivalent to those incidents previously reported under NR&LS.
