

We would like to request the following information from Aneurin Bevan University Health Board

1) We understand the ICS/Trust has representation on the following Medicines Management / Prescribing / Formulary Committees:

- **Aneurin Bevan University Health Board Medicines and Therapeutics Committee**
- **Powys Teaching Health Board Primary Care Drug and Therapeutics Committee**

Please confirm if this is correct.

The Health Board can confirm that the above information is correct.

If not correct, please list the relevant Committees.

2) Does the Organisation have representation on any other medicines management / prescribing / formulary committees? If so, please advise which.

- ABUHB Medicines Management Operational Group (MMOG) (affiliated committee)
- ABUHB High-Cost Drug Implementation Planning Group (HCDIPG) (subgroup of Aneurin Bevan University Health Board Medicines and Therapeutics Committee)
- ABUHB Medicines Management Programme Board (MMPB)

3) We have the following formularies listed as used by the Organisation:

- **Aneurin Bevan University Health Board Formulary**

Please confirm if this is correct and if not, please provide online link(s)/copy of relevant formularies.

The Health Board can confirm that the above information is correct.

4) Are any of the above formularies dominant when making prescribing decisions or does this depend on therapy area?

Please say which is the relevant formulary of the Organisation.

The Health Board's Formulary applies to primary and secondary care and is the only formulary for NHS patients. Decisions made by NICE or AWMSG are reflected in the Health Board's Formulary.

5) If you use a PDF formulary, have you considered moving it to an online platform like Netformulary, and if yes, when are you planning to do so?

Please refer to Q3, the Health Board's is online.
