

Freedom of Information Request	FOI 21-068	1 st March 2021
--------------------------------	------------	----------------------------

As part of a study looking at different treatment options across the UK, please may I enquire if your organisation has local treatment guidelines for the treatment of the following conditions.

- **Axial spondyloarthritis**
- **Ankylosing spondylitis**
- **Rheumatoid arthritis**

If you have such guidelines please could I request a copy.

The Health Board follows national treatment guidelines for the treatment of these conditions.
