

Freedom of Information Request	FOI 21-096	11 th March 2021
--------------------------------	------------	-----------------------------

The number of Covid-19 deaths between 1 February 2020-1 January 2021, where Covid-19 was the ONLY cause of death. within the ABHT, and do so with a monthly breakdown.

The age profiles of the deaths listed above, e.g. >70 years of age, <70 years of age, again within the ABHT 3). The number of all cause mortality from 1 February 2020 to 1 January 2021

All the above information specifically for the Royal Gwent Hospital, Neville Hall, Abergavenny and, with truncated dates since it opened, the Grange Hospital in Cwmbran.

All nosocomial cases of Covid-19 in Wales from March 2020-February 1, 2021.

The Health Board reports every death in our hospitals to Public Health Wales (PHW), this includes all causation factors. Public Health Wales will then perform statistical alignment meeting the definition of a COVID death and the patient place of residence as some of the Health Board area residents may die in other hospitals outside of the Aneurin Bevan Health Board responsibility. All Health Board deaths data is reported on the Public Health Wales website and in the Office of National Statistics (ONS) data.

Please refer to PHW website and PHW for further information via the following link below:
