We do not hold this as a separate register and in order to provide this data we would have to carry out a specific exercise of reviewing the patient records in each of our sites to determine this information. We have calculated that in order to comply with your request it would exceed the appropriate costs limit under section 12 of the Freedom of Information Act 2000. This is currently £450. As you will be aware this is not an exemption which requires us to consider the application of the public interest test.
