

Freedom of Information Request	FOI 21-111	22 nd March 2021
--------------------------------	------------	-----------------------------

I am doing a study on covid deaths and would like to request under the Freedom of Information Act the actual figures as recorded by yourselves for all hospitals that come under your jurisdiction. I would like the up to date numbers of people who have died WITHOUT underlying health issues and as a result of Covid 19 only. Could you please cover from Jan 2020 up to Jan 2021.

The Health Board reports every death in our hospitals to Public Health Wales (PHW), this includes all causation factors. Public Health Wales will then perform statistical alignment meeting the definition of a COVID death and the patient place of residence as some of the Health Board area residents may die in other hospitals outside of the Aneurin Bevan Health Board responsibility. All Health Board deaths data is reported on the Public Health Wales website and in the Office of National Statistics (ONS) data.

Please refer to PHW website and PHW for further information via the following link below:
