

Freedom of Information Request	FOI 22-115	15 th March 2022
--------------------------------	------------	-----------------------------

This is a request under the Freedom of Information act for the following information:

- 1) The number of inmates currently serving in HMP Usk and HMP Prescoed who have a diagnoses on their medical records for:**

Acrophobia

Claustrophobia

Athazagoraphobia

The Health Board does not record this information centrally and would have to review every patient record to determine this. Therefore, in order to comply with your request, the Health Board has established that this would exceed the appropriate costs limit under Section 12 of the Freedom of Information Act 2000 which is currently £450. As you will be aware this is not an exemption which requires us to consider the application of the public interest test. We have calculated that it would take in excess of 18 hours to review the record of each patient.

- 2) The same details for the previous 12 months.**
Please refer to Q1.
