

Freedom of Information Request	FOI 23-075	2 nd March 2023
--------------------------------	------------	----------------------------

I would like to know the total number of suspected and confirmed stroke cases you have recorded for the years

2018	777
2019	763
2020	849
2021	793
2022	792

Please note the Health Board are only able to provide inpatient data on confirmed stroke cases.
