

Freedom of Information Request	FOI 23-084	2 nd March 2023
--------------------------------	------------	----------------------------

I'd like to make a FOI request. It's about the number of patients receiving orthopaedic surgery by the private sector, paid for by the health board.

1. How many patients received orthopaedic surgery by the private sector/independent sector providers in the following years:

Financial year 2019/2020

Financial year 2020/2021

Financial year 2021/2022

We have not outsourced any orthopaedic activity to private/3rd sectors within these time periods.

2. How much did the the health board pay these private sectors/independent sector providers for these orthopaedic surgeries in the following years:

Financial year 2019/2020

Financial year 2020/2021

Financial year 2021/2022

If it's also possible to provide information on where these surgeries were i.e. within the health board locality / wales / england that would be useful for my own understanding,

Please refer to question 1.
