

In relation to St Cadoc's Hospital, for the period between 1998 and 2001, please provide any of the following documents you hold:

a. Any asbestos registers and/or management plans relating to asbestos in existence on this site;

The Health Board does not hold any of such documents during this period.

b. Any other records the council holds in relation to asbestos that would have been in existence on this site, for example asbestos databases;

The Health Board does not hold any such database or register during this period.

c. Asbestos management survey reports for the mentioned period, or, if any surveys were undertaken prior to 1998, the asbestos management survey closest in date to 01 January 1998

Please see the attached documents.

And

d. Asbestos refurbishment/demolition survey reports.

The Health Board does not hold any copies of such documents relating to the 1998-2001 period. However, there is a PCP pertaining to Asbestos at St Caodcs for this period which is attached.
