

Freedom of Information Request	FOI 23-145	15 <sup>th</sup> March 2023
--------------------------------	------------	-----------------------------

**I wish to submit a FoI request for ABUHB's shared treatment protocol for Lisdexamfetamine/Elvanse Adult. The ABUHB formulary contains a link to the protocol ([https://nhs.wales365.sharepoint.com/sites/ABB\\_Pulse\\_MTC/SitePages/Shared-Care-Protocols.aspx](https://nhs.wales365.sharepoint.com/sites/ABB_Pulse_MTC/SitePages/Shared-Care-Protocols.aspx)), but it is on the health board's sharepoint and therefore only available to staff members. I believe this document should be in the public domain.**

Please see the attached Shared Care Protocol.
