

Freedom of Information Request	FOI 21-184	20 <sup>th</sup> May 2021
--------------------------------	------------	---------------------------

**Please could you tell me the following:**

- 1. What cyber security training employees have to protect the confidentiality, integrity and availability of data at ABB?**  
The Health Board has a training programme for Information Governance which includes content to protect the confidentiality, integrity and availability of data, on various media and cyber security.
- 2. Who provides the training?**  
Training is undertaken via an e-learning platform provided by Learning Industries as well as bespoke classroom training provided by specialist staff.
- 3. What percentage of employees are required to take the training?**  
Information Governance training including cyber security is mandatory for all staff.
- 4. What is the value of the contract from the provider?**  
The Health Board does not have a contract with the provider. The package was commissioned as a specific piece of work and any future work will be undertaken on the same basis.
- 5. What is the duration of the contract with the provider?**  
Not applicable.
- 6. When does the contract with the provider end?**  
Not applicable.
