

Freedom of Information Request	FOI 21-187	12 <sup>th</sup> May 2021
--------------------------------	------------	---------------------------

**We are writing under the freedom of information act to ascertain how many people, without co morbidity, have died of Covid 19 since Jan 2020 to Dec 2020 in hospitals in your area.**

The Health Board reports every death in our hospitals to Public Health Wales (PHW), this includes all causation factors. Public Health Wales will then perform statistical alignment meeting the definition of a COVID death and the patient place of residence as some of the Health Board area residents may die in other hospitals outside of the Aneurin Bevan Health Board responsibility. All Health Board deaths data is reported on the Public Health Wales website and in the Office of National Statistics (ONS) data.

Please refer to PHW website and PHW for further information via the following link below:
