I would like to ask if you are able to give me some more information regarding S2 form, please?

I have been looking at the NHS website but the information regarding S2 I found just for England and I would like to know if the same form is available for people living in Wales, please?

NHS Wales is currently in the process of drafting its criteria and guidance notes to support funding similar to the S2 route in NHS England. These are likely to be in line with those already published by NHS England. Please find below a link to the NHS England application guidance notes.

Would you be able to advise me or give me any contact details who to contact regarding this form for Wales, please?

If you would like any addition information or wish to discuss further, please contact the Health Boards lead for Clinical Commissioning/IPFR, Ann-Marie Matthews on 01633 623432 who will be happy to help.
