| Freedom of Information Request | FOI 21-246 | 2 nd July 2021 |
|--------------------------------|------------|---------------------------|

I'd like a freedom of information request on how many cycles you are currently using to test your pcr tests and also what number of cycles for 2020?

The Health Board uses several platforms for testing, these are Cepheid, Eplex, Biofire and Seegene. They vary in cycle numbers but the average is 45.
