Following the advice of the Ministry of Justice (Freedom of Information) Disclosure Team (HM Prisons and Probation Service), I would like to request information on the following:

Information, statistics and studies on the use of psychotherapeutic, chemical, electrical and hormone (including oestrogen) therapies and treatments for male homosexual prisoners at HMP prisons in Wales during the period 1952-1972.

I would be most grateful if you could let me know what information, statistics and studies you hold for HMP Usk and HMP Prescoed, and how I may be able to access them.

I can confirm that the Health Board has completed a search of its records established under Section 12(4)(a) of the Freedom of Information Act that the Health Board does not hold the information requested below.
