

Freedom of Information Request	FOI 21-270	20 th July 2021
--------------------------------	------------	----------------------------

Please could you kindly send me:

1. What is the current waiting time for an ADHD assessment for

a. Children

The current average waiting time for Children and Adolescents on the waiting list for an ADHD assessment is 30-weeks.

b. Adolescents

See Q1 above.

c. Adults

We are unable to provide current waiting times. There is currently no routine service available for ADHD diagnostic assessments for Adults. Plans are being developed to establish a local service.

2. What is the current number of referrals for assessment/treatment of:

a. Alcohol dependence

b. Cocaine dependence

c. Cannabis dependence

d. Problematic gambling

As per the emails of 28th June, 5th July, 12th July 2021 could you please confirm the following:

is it those currently active on the caseload?

or

those that are currently waiting at the moment?

Once we have received clarification we can respond to this aspect of your request.
