

Freedom of Information Request	FOI 21-299	26 <sup>th</sup> July 2021
--------------------------------	------------	----------------------------

**Please provide the following information:**

**Since the start of the Covid-19 vaccination programme, how many members of staff directly employed by your health board have received a coronavirus vaccine?**

**Since the start of the Covid-19 vaccination programme, how many members of staff directly employed by your health board have refused a coronavirus vaccine?**

**Since the start of the Covid-19 vaccination programme, how many members of staff directly employed by your health board in frontline medical roles - i.e. doctors, nurses, consultants, anaesthetists, midwifery, occupational & mental health workers - have refused to accept a coronavirus vaccine?**

Vaccine record of the individual vaccination is held within the individuals own medical record and is not captured in this format by the Health Board.

Public Health Wales is undertaking an exercise to determine if this information can be captured and disclosed

You may wish to contact [Public Health Wales](#) who may be able to assist further.
