

Freedom of Information Request	FOI 22-185	12 th May2022
--------------------------------	------------	--------------------------

I wish to request the amount the total amount of funding that was given by Aneurin Bevan Health Board to Consultant Orthopaedic Surgeon Mr Stephen Jones (Cardiff and Vale Health) during the period of 2012-2015.

Your records will show this funding was allocated to Stephen Jones to investigate his interest in Orthopaedic Knee Surgery and/or Alternate Knee Surgery.

The Health Board does not hold this information centrally and would have to review individual invoices to determine this. Therefore, in order to comply with your request, the Health Board has established that this would exceed the appropriate costs limit under Section 12 of the Freedom of Information Act 2000 which is currently £450. As you will be aware this is not an exemption which requires us to consider the application of the public interest test. We have calculated that it would take in excess of 18 hours to review each record.
