

**Under the freedom of information Act, please forward me any information discussed in my block and prior block.**

As per the Health Boards previous response of 14<sup>th</sup> February 2023 the decision in relation to the blocking of the Twitter account was made verbally in person and therefore there is no paper trail.

As previously offered directly, the Health Boards Communication and Engagement Team would be happy to meet with you to discuss your concerns and the reason behind the blocking of his account.
