| Freedom of Information Request | FOI 21-447 | 30th November 2021 |

1) What is the average cost per meal for a patient?

The average cost per meal per patient for 2020/21 was £5.03

2) How many patient meals were wasted, thrown away or not used in the past year?

We do not hold the information on the number of meals wasted but I can confirm that there was an average wastage of 7% across the Health Board.
