

Freedom of Information Request	FOI 21-468	24 th Novemeber 2021
--------------------------------	------------	---------------------------------

I understand you are very busy and with a large amount of covid patients being admitted and very sadly passing away. *It was subsequently clarified that you requested this information for the period 1.09.2021 - 08.11.2021*

1. Could you say what percentage are double/triple vaccinated?

Of the 92 patients who sadly passed away due to COVID-19 in the period, 73 patients (79.3%) had received two vaccinations and 8 patients (8.7%) had received three vaccinations.

2. Out of the numbers that are fully vaccinated and passed away could you give the breakdown of which vaccines were given?

Of the patients who received two vaccinations and sadly passed away (73 patients), 58 received 2 doses of ASTRAZENECA and 15 patients received 2 doses of PFIZER BIONTECH.

Of the patients who received three vaccinations and sadly passed away (8 patients), two received 2 doses of ASTRAZENECA and one of PFIZER BIONTECH and six received 3 doses of PFIZER BIONTECH.
