| Freedom of Information Request | FOI 22-531 | 23 rd November 2022 |
|--------------------------------|------------|--------------------------------|

Our learning team are hoping to request the number of children in Torfaen residing in the Torfaen area who have an NHS number (initially of Reception to Year 11 age). We just need a total number and certainly not names.

Please find below figures based on the number of children aged 16 under registered at a Torfaen GP Practice. Please note that these figures are for children aged under 16 registered with a Torfaen GP practice but who may live out of the Torfaen area. The information does not include children living in Torfaen who may be registered with a different GP from those children living at an address within the Torfaen area. If you would like to obtain further information please could you direct your request to [NHS Wales Shared Service Partnership \(NWSSP\)](#) who will be able to help you further.
