

Freedom of Information Request	FOI 22-541	23 <sup>rd</sup> November 2022
--------------------------------	------------	--------------------------------

**I'm writing to request information regarding alcohol related health issues you have experienced with patients since January 2022 until present.**

**I am trying to collect data on alcohol inflicted health issues and require a number of each cases you have seen for each month for the above dates.**

Please find below figures for the number of patients discharged with a primary or secondary diagnosis of "alcohol related issue". The figures do not include admissions/discharges within Mental Health Services as this information is currently unavailable due to the implementation of the new mental health system (WCCIS).

Please note there were no outpatient attendances identified as having a diagnosis code of "alcohol related issue".
