

Freedom of Information Request	FOI 22-542	24 th November 2022
--------------------------------	------------	--------------------------------

I wanted to ask for a number on how much money Aneurin Bevan health board has spent on meeting the requirements set out by the Welsh language standards in the last financial year?

The costs for service in relation to Welsh Language Standards for 2021/22 was £138,441.

Please note this figure includes translation and interpretation services and Senior Translator role only as the Health Board are unable to quantify all costs incurred to meet the requirements set out by the Welsh Language Standards as this can include for example but not limited to staff who speak welsh in the Health Boards call centre, attendance at meetings etc.
