**I understand that the current Chief of Staff is going to be leaving.**

**1. Could you tell me if this role will be advertised now through the job page for anybody with experience to apply**

You may be aware that we have a new Chief Executive, Nicola Prygodzicz, who commenced in role at the start of September. Nicola will be considering what support is required by herself and the wider executive team in relation to the Chief of Staff role before any replacement post is advertised.

**2. if so what is the process for this?**

Any recruitment and appointment process will be undertaken in line with Health Board policies.

**3. Or is it Health Boards intentions to give it to somebody else without an advert going out?**

Please refer to Q1 and Q2.
