

Freedom of Information Request	FOI 22-431-01	4 th October 2022
--------------------------------	---------------	------------------------------

You answered the same request for years 2019/20, 2020/21 and 2021/22 on August 31st and those amounts were substantially less (£281,904, £301,928 and £386,245 respectively)...is there a reason there's such a dramatic difference?

- a) The expenditure by the health board on taxis during financial years 2018/19 and 2017/18 please?**
- | | |
|----------------|-------------------|
| 2017/18 | £1,338,242 |
| 2018/19 | £1,775,113 |

Stricter eligibility controls have been enforced over the last two years along with the reduction in journeys and out-patients requiring journeys due to the COVID-19 pandemic.
