

I would like to have information pertaining to:

The names and addresses of pharmacies which informed their Local Health Board or the NHS that they would not be opening their pharmacy between 1st June 2022 to 31st August 2022

I would like to know the names and addresses of pharmacies which informed their Local Health Board/ the NHS of any closures for the following reasons:

- **an unplanned closure for a few hours where there have been local issues**
- **an unplanned closure due to flooding etc where they may be closed for more than a day**
- **Planned closures with the 3 months' notice – usually refurbishments etc**
- **Permanent closures – i.e. the contract has been surrendered**
- **Closures relating to Covid under the emergency powers, where pharmacies may have closed or amended hours under these powers.**
- **All of the above or a combination.**

Please note the Health Board did not have any permanent closures during the period requested and did not have any closures relating to COVID-19 under the emergency powers, where pharmacies may have closed or amended hours under those powers. However, in Wales, pharmacies are allowed to work under flexible working arrangements and from 1st April 2022, pharmacies are allowed to close for one hour during the period of 12:00-14:00.
