

Freedom of Information Request	FOI 22-500	19 th October 2022
--------------------------------	------------	-------------------------------

Could you please provide the following Information for Chepstow Community Hospital (CCH):

- Number of incidents relating to patient safety raised/reported each month June – August 2022**

Month	Number of patient safety incidents reported
June 2022	12
July 2022	20
August 2022	10

- Number of incidents relating to staff health and safety raised/reported each month June – August 2022**

Month	Number of patient safety incidents reported
June 2022	<5*
July 2022	9
August 2022	>5*

*Please note where less than five (5) patients/staff members have been identified, Section 40 of the Freedom of Information Act 2000 has been applied as the Health Board cannot provide the exact numbers due to the low numbers of individuals involved (5 or less). The Health Board believes there is a potential risk of individuals being able to be identified, when considered with other information already available within the public domain, if this was disclosed. Therefore, the data is classed as personal data as defined under the General Data Protection Regulation (GDPR) and Data Protection Act 2018 and its disclosure would be contrary to the data protection principles and constitute unfair and unlawful processing in regard to Articles 5, 6, and 9 of GDPR. We are therefore withholding this detail under Section 40(2) of the Freedom of Information Act 2000. This exemption is absolute and therefore there is no requirement to apply the public interest test.
