

Freedom of Information Request	FOI 23-317-01	06 October 2023
--------------------------------	---------------	-----------------

Your request

Thank you for providing the information requested. I now have a further request following receipt of the information supplied. Could you please provide information on the overall salary spend for the old structure and the new structure. I am happy to receive the overall totals for each structure and not individual information for each role.

Our response

The pay cost of the Corporate Governance structure prior to the restructure for the full year was £949,095. Please note that this figure includes on-costs and is costed at the top of pay scales at the NHS agenda for change terms conditions pay values scales for 2022/23.

The pay cost of the Corporate Governance structure following the restructure for the full year is £1,229,460. Please note that this figure includes on-costs and is costed at the top of pay scales at the NHS agenda for change terms conditions pay values scales for 2022/23 to provide a like for like comparison. This figure includes the transfer of an existing post within the organisation plus an investment to respond to the Covid-19 Inquiry.
