--------------------------------	------------	-----------------

Your request

You requested the following:

1. Does ABUHB have in place a suicide postvention framework, protocol and/or guidance for the support of NHS staff following the death of a colleague?
2. If so, please may I be provided with an electronic copy of this document?

Our response

1. We do not have our own suicide prevention framework, however we direct colleagues to *Unexpected Death of a Colleague First Aid Kit* which has been produced by multiple agencies.
2. A copy of the first aid kit, referenced in response 1, is attached.
