

Your request

You requested the following:

1. Provide the waiting times data for surgery/ treatment for endometriosis for the population in your Health Board area, for each of last 5 financial years.

Our response

1. Our response is provided in the table below. Please note that the data is taken at the end of June annually.

Year	Waiting Time
2019-20	35 weeks
2020-21	64 weeks ^[1]
2021-22	86 weeks ^[2]
2022-23	73 weeks
2023-24	67 weeks

Caveats

^[1] Suspension of benign non-life-threatening surgery due to covid pandemic

^[2] Limited surgical capacity due to ongoing impact of pandemic
