

Your request

You requested the following:

A list of all the patient warming/cooling/ targeted temperature management systems currently in use within the Aneurin Bevan trust please, specifically Arctic Sun, CSZ/ Blankterol, Zoll, MTRE Criticool and Stryker Altrix.

Please could you provide:

1. Name of hospital.
2. Department.
3. Manufacturer and model of unit(s) in use.
4. Age of each unit (date installed or date purchased).
5. If they are on a consumable contract or purchased outright.
6. The cost of the device.
7. E-mail address of equipment lead for theatres and ICU.

Our response

1. Grange University Hospital (GUH)
2. Critical Care Unit.
3. Bard Arctic Sun 5000, with 3 in use.
4. 2019-20
5. 1 was purchased and 2 are on a consumable contact.
6. The information requested is exempt from disclosure under section 43(2) of the Freedom of Information Act 2000 (FOIA). It is considered that the information requested is commercially sensitive and, if released, is likely to prejudice the commercial interests of the contractors and the Health Board.
7. We are unable to release information that refers to personal data which is not already within the public domain. This is in accordance with section 40 of the Freedom of Information Act provides an absolute exemption for personal data.

However, we can provide details already in the public forum for the Chief Operating Officer, Leanne Watkins below. They are responsible for the manager(s) responsible for the equipment lead for theatres and the ICU.
