April 2023

To: All registered patients of The Mount Surgery, Pontypool, residing at this address.

Dear Patient,

The Health Board previously wrote to you in February 2023 informing you that the GP Partners of The Mount Surgery had notified the Health Board of their intention to resign from their General Medical Services Contract with effect from the 31st of July 2023.

When the Health Board receives a contract resignation, a Vacant Practice Panel meets to consider all of the options available to ensure patients continue to have access to a GP Practice. This Panel includes representation from Gwent Local Medical Committee and Llais, formerly known as Aneurin Bevan Community Health Council.

A Vacant Practice Panel was convened the 8th of February 2023, where it was agreed that the most appropriate option was to advertise the practice locally and nationally with the aim to recruit a replacement service with a new GP contractor.

I am pleased to confirm that following a robust recruitment campaign the Health Board has successfully secured a new GP partnership to take on the management and delivery of General Medical Services for The Mount Surgery.

You do not need to do anything and will continue to be able to access services from The Mount Surgery and New Inn Medical Centre.

I am now in a position to confirm that you will be registered with the new partnership, Dr Allinson and Dr Ahmed at The Mount Surgery, as of the 1st of August 2023.

The practice details will be:

The Mount Surgery (Main)
Pontypool Medical Centre

New Inn Medical Centre (Branch)
The Walk

I appreciate that this news may be unsettling, however, **you do not need to do anything** as you will automatically remain registered with The Mount Surgery as of the 1st of August 2023 and will continue to access services from the existing premises at the above addresses.

Between now and the 31st of July 2023, Dr R H Evans, Dr R Hussain and Dr T Musson will continue to deliver General Medical Services to the patients registered with the practice. The doctors and staff at The Mount Surgery are fully committed to ensuring that you continue to receive high quality GP services.

Over the coming weeks the Health Board will be working with the new partnership to ensure a smooth transition of services. If you have any concerns or queries regarding this outcome, please do not hesitate to contact a member of the Primary Care Team on 01495 241-246/293/242.

Yours sincerely,

Lloyd Hambridge
Interim Divisional Director Primary Care and Community Services
