To: All registered patients of Bryntirion surgery residing at this address.

Dear Patient,

Our records show that you are currently registered with Bryntirion Surgery. You may already be aware that the practice became directly managed by Aneurin Bevan University Board following the resignation of the former GP Partners in 2017, and that Markham Medical Centre became a branch surgery in September 2019.

I am pleased to confirm that, following a robust recruitment campaign in accordance with the Vacant Practice Process, the Health Board has successfully secured a new independent GP partnership to take on the management and delivery of General Medical Services for Bryntirion Surgery. The contract has been awarded to Dr J Allinson and Dr J Ahmed with effect from the 1st of April 2024.

This is positive news for the future stability of GP services in the Caerphilly borough. Please be reassured, **you do not need to do anything**, your registration will continue with Bryntirion Surgery and you will automatically transfer to the new contractor and be able to continue to access services from the premises in Bargoed and Markham (branch site) from the 1st of April 2024.

Over the coming weeks the Health Board will be supporting the process to ensure a smooth transition of care. If you have any concerns or queries regarding this outcome, please do not hesitate to contact a member of the Primary Care Team on 01495 241-246/293/258.

Yours sincerely,

Lloyd Hambridge
