**June 2023**

**To: All registered patients of The Lawn Medical Practice, Rhymney, residing at this address.**

Dear Patient,

The Health Board previously wrote to you in March 2023 informing you that the GP Partners of The Lawn Medical Practice had notified the Health Board of their intention to resign from their General Medical Services Contract with effect from the 31<sup>st</sup> of August 2023.

When the Health Board receives a contract resignation, a Vacant Practice Panel meets to consider all the options available to ensure patients continue to have access to a GP Practice and includes representation from Gwent Local Medical Committee and Llais, formerly known as Aneurin Bevan Community Health Council.

A Vacant Practice Panel was convened on the 23<sup>rd</sup> of March 2023, where it was agreed that the most appropriate option was to advertise the practice locally and nationally with the aim to recruit a replacement service with a new GP contractor.

I am pleased to confirm that following a robust recruitment campaign the Health Board has successfully secured a new GP partnership to take on the management and delivery of General Medical Services for The Lawn Medical Practice and I am now able to confirm that you will be registered with Dr Neil James and Partners at Meddygfa Cwm Rhymni Practice, as of the 1<sup>st</sup> of September 2023.

Your new GP practice details will be:
