

Tell us what you think

1. Do you think the idea is a good one?

☐ Yes

☒ No

☐ Not sure

Fit for the Future Survey

We want to hear from people in Gloucestershire about what they think about our ideas for making changes to the way we organise some of our specialist hospital Services so that they can be the best service for you, we call these **Centres of Excellence**.

You can read more about our ideas in our big document and in Easy Read visit www.onegloucestershire.net/yoursay or email: glccg.participation@nhs.net to ask for information.

We will keep the things you tell us confidential.

You do not have to tell us who you are unless you want to.

We will keep the information safe and only use it to help us find out what you think we should do.

What you need to do:

You can fill in our survey online at www.onegloucestershire.net/yoursay

Or you can send it back to us free using the address below.

You do not need to answer all the questions, you can just look at the ones that interest you.

Please fill in the **About You** questions so we can check we have heard from lots of different people.

If you would like help to fill in the survey you can get in touch,

By email glccg.participation@nhs.net

By phone 0800 0151 458

By Post FREEPOST RRYY-KSGT-AGBR

Our survey finishes on 17 December 2020 at 12pm

Thank you for helping us with these questions about our ideas

What do you think about having the service for Acute Medicine (Acute Medical Take) at Gloucestershire Royal Hospital?

Acute medicine is treatment and assessment for things like very bad headaches, chest pain, pneumonia or asthma.

☐

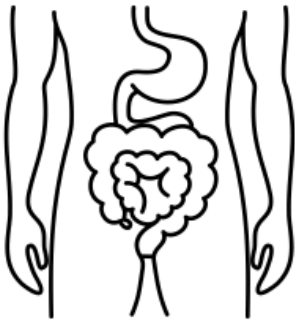

Good idea

☐

Bad idea

☐

Not Sure

What do you think about having the service for Emergency General Surgery at Gloucestershire Royal Hospital?

These are emergency operations on the gut which is where you digest your food.

☐

Good idea

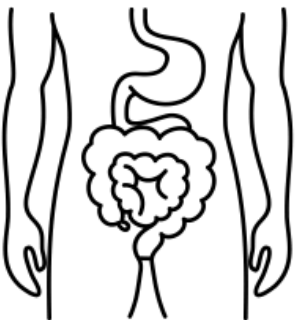

☐

Bad idea

☐

Not Sure

Do you want to tell us anything else about these ideas?

What do you think about having planned Lower GI (Colorectal) General Surgery in one hospital?

These are planned, not emergency, operations on the lower part of the gut.

☐

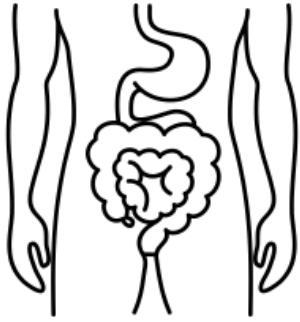

Good idea

☐

Bad idea

☐

Not Sure

Where do you think we should do planned Lower GI (Colorectal) General Surgery?

These are planned, not emergency, operations on the lower part of the gut.

☐

Cheltenham General Hospital

☐

Gloucestershire Royal Hospital

☐

Don't mind

Can you say why this is your choice?

What do you think about having the service for General Surgery Day Cases (Upper and Lower GI) at Cheltenham General Hospital?

These are operations on the gut which is where you digest your food. People have their operation and go home the same day.

☐

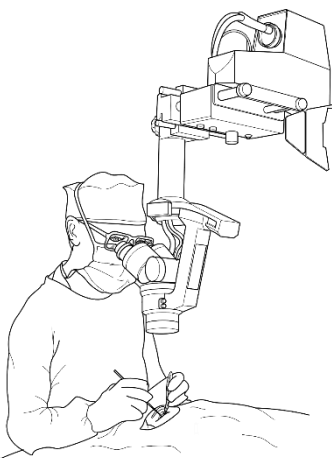

Good idea

☐

Bad idea

☐

Not Sure

What do you think about having a 24 hour 7 days a week IGIS **Hub** at Gloucestershire Royal Hospital and an IGIS **Spoke** at Cheltenham General Hospital?

A Hub is the main place something happens, and a Spoke is linked to the Hub.

IGIS is Image-guided Interventional Surgery, this is where cameras are used inside the body so the surgeon can see what is going on.
