**For Eye Unit, Assessment
Clinic**

Eye Unit

The next step.....

The doctor has put you onto the waiting list for an operation.

What happens now?

You will be contacted nearer the time of your admission to attend the Assessment Clinic.

At the assessment clinic:-

- The nurse will ask questions about your medical history, the medication YOU take, details about your home and next of kin
- You will have tests, and measurements taken of your eyes, this gives the necessary information for your operation. (Cataract surgery only)
- The nurse will give you a full explanation about your operation, what to expect before, during and after surgery.
- You will be given an explanation of what you can and cannot do when you go home after your operation.
- The nurse will give you information leaflets to take home with you to read at your leisure.

If you have any questions about your operation or care, write them down and bring them with you when you come to the Assessment Clinic.
